SIR,

I have the honour to forward herewith letter No.541/39 dated the 20th July 1918 from the Inspector-General of Police --- addressed to Government requesting sanction for an increased grant of Rs.80/- a month for the maintenance charges connected with the Police Training School Hostel. He proposes that this additional cost may be met from savings to be effected out of the provision made for the Jui Jutsu School in the current year's Budget. If the increased expenditure be sanctioned by Government, there is no objection to the Inspector-General effecting the proposed re-appropriation of funds which is within his competence, under para 4 of G.O.No.Fl.1305-54/G.F. 70-18-1 dated the 3rd September 1918)

I have the Honour to be,
Sir,
Your most obedient servant,

No. 571/39 Office of the Inspector General of Police in Mysore,

Dated Camp Mysore, 19th July 1918.

From

Offg. Inspector General of Police in Mysore.

To

C. S. Balasundaram Iyer, Esqr., B.A.,

Chief Secretary to the Government of

His Highness the Maharaja of Mysore.

Sir,

With reference to Govt. Order No.J.3043/4 Pol.109-17-2 dated the 6th February 1918, sanctioning the continuance of the Hostel attached to the Police Training School, for a period of three years from the 1st January last, I have the honour to state that a grant of Rs.1,800 is made annually to meet the rent of three buildings required for the accommodation of the students. Three bungalows have been engaged in the Fort near the office of the Inspector General of Police on a total monthly rent of Rs.150, two of which have been handed over to the Department and the third has not yet come into our occupation but which will be vacated in the course of a few months. Thus the grant is barely sufficient to cover the rent of the buildings and the other contingencies such as the pay of the cooks, the pay of the servants, sweepers etc will have to be borne by the students themselves. There are 95 students living in the Hostel - 91 constables and 4 Duffedars. The cost of the establishment will have to be borne entirely by the poor constables drawing Rs.8 a month, and this they can ill afford to do in these days of extraordinary high prices. A constable though he gets an allowance of Rs.2 a month, has very little left to himself to maintain his family, and it is at an extraordinary sacrifice to himself and at the risk of privation of his family that he comes to Bangalore for training. In other hostels, for example, hostels attached to the University and Normal Schools, a lump sum grant is made by the Government besides house rent, to meet the cost of management. The constables are not so well paid as the present day

(12

school masters, and the concessions shown to the latter must also be shown to the former. At least considerations of humanity demand that the poor constables should be relieved of the charge of maintenance of the Hostel to prevent them from allowing themselves and their families to starve. I propose that the Government may be pleased to sanction an establishment on the following scale, which is considerably less than the establishment given to similar institutions -

VEGETARIAN SECTION

1 Cook on	Rs.15	
1 Assistant Cook	12	Rs. 27

NON-VEGETARIAN SECTION

1 Cook on	Rs.12	
1 Assistant Cook	8	Rs. 20

GENERAL

1 Scavenger	on Rs.7	
1 Barber	10	
1 Dhoby	10	
Contingencies, (cleaning vessels etc)	6	Rs. 33
	Total	Rs. 80 per month.

What is paid to the barber and dhoby is only a retaining fee. It is absolutely necessary to attach a dhoby and barber to the Hostel; otherwise men will not be clean and present a decent appearance and will certainly spoil their uniforms. The extra cost involved is Rs. 960 per annum, which I request that the Government be pleased to sanction at an early date. The reference may be kindly treated as urgent as the School has already been opened.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.
